ACADEMIC SERVICES AND DIGITAL LEARNING

NC SIS Weekly Email Bulletin

In this issue:

1. GDV Reminder
2. Maintenance Within the Schoolnet Aligned SAS Materials
3. Daily Headcount Adjustment/No Show Students
4. Bookmarking NCEdCloud
5. Tips from the Support Center
6. Remedy On Demand
7. Viewing Your Ticket Activity in the Remedy Web Portal
8. 2016-2017 Home Base Meet-Ups
9. New Information on the Website
10. Upcoming Training Webinars and Workshops

GDV Reminder

The Graduate Data Verification State Report processed during the correction window identifies students who have met graduation criteria, including Summer Graduates, Early Graduates, and EOY Graduates. If a school needs to re-run the Final GDV to modify, include or exclude any student on the

report, please log a Remedy ticket with the Home Base Support Center by August 30 in order to meet the September 8 submission deadline.

Maintenance Within the Schoolnet Aligned SAS Materials

The Schoolnet Instructional Materials for Aligned SAS Materials will be taken offline this weekend for maintenance. The purpose for this maintenance is to fix a known indexing issue with the host system that houses the SAS materials. Maintenance is scheduled to begin at 6 p.m., Friday, August 26, and end at 9 a.m., Saturday, August 27. Please note that Schoolnet will remain accessible and operational; however, access to Aligned SAS Materials within the instructional materials are impacted.

You may click on the following link to view a graphic that further defines the location of these materials: [IIS Search](#). If you have questions concerning this maintenance, please contact the Home Base Support Center at (919) 807-4357 or submit a ticket to the [Remedy Portal](#).

Daily Headcount Adjustment/No Show Students

When using the Daily Headcount Adjustment/No Show process to drop students, know that the process does not drop them from any current class enrollments. Therefore, you will also need to navigate to the student's 'Modify Schedule' page and drop them from their classes when the No Show method is used. Failure to drop students from their schedule may result in withdrawn students appearing on a teacher roster, gradebook and/or PMR.

For more details, view the [Daily Headcount Adjustment QRD](#) on the NC SIS website. If you have questions or need further assistance, contact the Home Base Support Center by submitting a ticket through [Remedy Portal](#) or calling (919) 807-4357.

Bookmarking NCEdCloud

If you are using a browser bookmark to access NCEdcloud/Rapid Identity/IAM, be sure to use the following URL: <https://my.ncedcloud.org>. Any other URL can cause authorization errors when you login.

Tips from the Support Center

With the beginning of the school year upon us, the Technology Support Center has released a reference document titled, [Common PowerSchool Start of Year Issues](#).

Inside is a collection of tips, resolutions to FAQs and support documentation geared towards LEA/Charter School coordinators and data managers for navigating common [Start of Year](#) issues.

If you have any questions regarding these tips, please contact the support center by submitting a ticket through the [Remedy Portal](#) or by calling 919.807.4357.

Remedy On Demand

Still needing assistance with the new Remedy system? Here are some helpful user details and highlights including a video and PowerPoint presentation:

- Using their NCID username and password, all designated lead customers can submit and manage requests for support via the new Remedy web portal.
- The URL for the web portal is <https://nc-myit.us.onbmc.com>.
- Designated leads should login and test portal access. If you experience issues logging in, call the Support Center, (919) 807-4357.
- Training on the new web portal can be found at <https://vimeo.com/171937223>.
- The Link to the PowerPoint used in the training is located at <http://bit.ly/29GOPbY>.

Please note: Under this new system, designated LEA and charter customers can no longer open tickets for assistance via email.

Viewing Your Ticket Activity in the Remedy Web Portal

Customers who use the Remedy Web Portal can view / manage their tickets by clicking on the 'View in My Activity' button on the portal landing page. Inside, users will see a chronological listing of all active tickets submitted and have the ability to filter the view to view resolved or cancelled tickets. At present, the 'Summary' line for each ticket does not display the summary the customer provided in the submission form; rather the system populates the type of ticket the customer submitted, e.g., PowerSchool Request, Schoolnet Request, NCEES Request. This is due to how the Remedy ticketing system is mapped to the web portal and is not an error.

We understand that this is less than optimal information if a user wishes to have a quick summary glance of all of their tickets. Therefore, we have reached out to the vendor with an enhancement request to hopefully have this changed. We will keep you posted with our efforts.

2016-2017 Home Base Meet Ups

#HBmeetups - Collaborate with your peers via this hashtag!!

The NCDPI Home Base Team is gearing up for another great year of networking and collaborative experiences through the Home Base Meet-Ups (formerly known as the Home Base User Group Meetings). The name and format of these meetings have changed to better identify its purpose and new format. Click on the invite below for more details.

New Information on the Web

[CCB/UAB Combined Meeting Webinar - Aug 19, 2016](#)

[Changes to Course Codes Presentation - July 15, 2016](#)

[New Course Codes Webinar - August 12, 2016](#)

Upcoming Training Webinars and Workshops

The Home Base Professional Learning Team's Training Calendar for the 2016-17 school year is now available. Training sessions will be onsite, hands-on workshops or live, online webinars. The audience for each session is based on user roles.

The PowerSchool sessions listed below are posted on the NC SIS website's [Training Calendar](#) and [Course List](#) pages. Please review these pages frequently for PowerSchool training schedule changes or additional trainings for September 2016 - June 2017.

Hands-on training sessions will be held at the NC Department of Public Instruction, 301 N. Wilmington Street, Room 564, Raleigh, NC, unless stated otherwise. All attendees must be an employee of the NC Public School system to participate. **Management companies are not permitted to attend.** Registration links are provided below. Please try to register early for workshops due to space limitations.

Note: All registration information is subject to the North Carolina Public Records Law.
