Home Base Maintenance Weekend - August 12-15

The next Home Base maintenance weekend is scheduled for Friday, August 12 through Sunday, August 14. Maintenance will be performed on the PowerSchool application and UID system. See the message below concerning the UID system maintenance.

PowerSchool will shut down Friday, at 5:00 p.m. Once maintenance is completed, a message will be sent to notify users that the system is up and available for use. PowerSchool will be returned to service no later than 6:00 a.m., Monday morning. If a delay in bringing up the system should occur, users will be notified via email.

For a listing of all Home Base maintenance weekends, remember to visit the NC SIS website's [2016 - 17 Maintenance Schedule](#).

UID SYSTEM Maintenance

An upgrade to the UID system is planned for Friday, August 12, during the normal maintenance weekend schedule. This upgrade includes enhancements to the user interface for student UID only. There are no changes to staff UID.

Webinar information and release notes will be published next week.

mCLASS Course Coding and Roster Verification

The Reading 3D (NC Diagnostic for Reading) program is used to roster students to capture student growth in grades K-2. For this reason it is imperative that students in these grades are scheduled in a corresponding English Language Arts (ELA) course using the following course codes:

1050 grade 0
1051 grade 1
1052 grade 2

Questions pertaining to these course codes for mCLASS 3D Rostering may be addressed to the Home Base Support Center by calling (919) 807-4357 or submitting a ticket through the [Remedy Portal](#).

Reminder: The New Remedy System is Live!

The NCDPI Technology Support Center is pleased to announce that the new 'Remedy on Demand' support ticketing system is now live. Some important user details and highlights are as follows:

- Using their NCID username and password, all designated lead customers can submit and manage requests for support via the new Remedy web portal.
- The URL for the web portal is <https://nc-myit.us.onbmc.com>.
- Designated leads should login and test portal access. If you experience issues logging in, call the Support Center, (919) 807-4357.
- Training on the new web portal can be found at <https://vimeo.com/171937223>.
- The Link to the PowerPoint used in the training is located at <http://bit.ly/29GOPbY>.

Please note: Under this new system, Designated LEA and charter customers can no longer open tickets for assistance via email.

Upcoming Training Webinars and Workshops

The Home Base Professional Learning Team's Training Calendar for the 2016-17 school year is now available. Training sessions will be onsite, hands-on workshops or live, online webinars. The audience for each session is based on user roles.

The PowerSchool sessions listed below are posted on the NC SIS website's [Training Calendar](#) and [Course List](#) pages. Please review these pages frequently for PowerSchool training schedule changes or additional trainings for September 2016 - June 2017.

Hands-on training sessions will be held at the NC Department of Public Instruction, 301 N. Wilmington Street, Room 564, Raleigh, NC, unless stated otherwise. All attendees must be an employee of the NC Public School system to participate. **Management companies are not permitted to attend.** Registration links are provided below. Please try to register early for workshops due to space limitations.

Note: All registration information is subject to the North Carolina Public Records Law.
