The NC WISE Email Bulletin highlights issues and announcements that were communicated to users during the past week. The bulletin also features late-breaking and recurring news about NC WISE. In this issue:

1. Course Credit - Update

Please disregard the memo sent earlier this week concerning course credits. The memo has been updated and is attached to this message. Please read and forward to the appropriate staff.

2. PowerSchool Project Update 3

The third Home Base (PowerSchool) Project Update webinar was held Thursday, March 28 from 1 – 3 p.m. This webinar featured a demonstration of PowerSource and conversion updates. For those who were unable to attend, you may click on the link to access the page where the webinar and PowerPoint presentation are located: [http://www.ncwise.org/powerschool_updates.html](http://www.ncwise.org/powerschool_updates.html). An updated copy of the NC Data Conversion Issue Tracker – a summary of all known issues and their statuses – is also located on this page.

Future webinars are scheduled for April 11, May 9, May 23 and June 6 from 1 – 3 p.m. If you are not registered to attend these webinars, you may do so by going to [https://www1.gotomeeting.com/register/315714961](https://www1.gotomeeting.com/register/315714961). You only have to register once for all webinars scheduled through June 6.

If you have questions pertaining to the information given in these webinars, please contact the Home Base Service Center at [homebase.incidents@its.nc.gov](mailto:homebase.incidents@its.nc.gov).

3. 2013 – 2014 Course Code Changes (AP Revisions)

On Thursday, March 21, an e-mail concerning the alignment of College Board AP Course Codes was sent to notify users of the revisions made to AP course codes. An updated 2013 – 2014 Course Code Changes document is attached to this email to reflect these changes. You may also click on the following link to locate the revised 2013 – 2014 Course Code Changes document online: [http://www.ncwise.org/courses2.html](http://www.ncwise.org/courses2.html).
Please give careful attention to the AP changes tab in the document. If you have questions pertaining to this document, please contact the NCDPI Service Desk at ncwise.incidents@its.nc.gov.

4. NC Data Conversion Issue Tracker

The latest NC Data Conversion Issue Tracker – a summary of all known issues and their statuses – has been posted on the PowerSchool Updates page located at: http://www.ncwise.org/powerschool_updates.html. This tracker is updated weekly. So, please remember to check it periodically for status changes.

5. Home Base Biweekly Update - Correction

The Home Base Biweekly Update (Newsletter) sent March 22 contained two broken links. We apologize.

We've corrected these links and have included the revised Update for you below: http://www.ncpublicschools.org/docs/homebase/updates/2013/issue-5.pdf

In addition, here are the two corrected links:
The full presentation at the Superintendents Quarterly Meeting held March 19 can be seen here: http://www.ncpublicschools.org/superintendents/quarterly/2012-13/20130319

The link to the document Online Testing and Use of Chromebooks and iPads is here: http://www.ncpublicschools.org/docs/homebase/getting-ready/online-testing.pdf

As a reminder, you can view past issues of all the Home Base Biweekly Updates here: http://www.ncpublicschools.org/homebase/updates/
