4. NC WISE Virtual Summer Conference
The NC WISE staff invites you to attend the 2009 NC WISE Virtual Summer Conference for NC WISE Coordinators. The conference will be held on Monday, July 27th, 2009. We have planned a one day video streaming conference that will be archived for future use. You will be able to attend the conference from the convenience of your office, and with as many of your staff as you desire. However, we do recommend limiting your attendees to central office staff only. This conference will focus on information that you as a coordinator will need to assist your data managers in the coming year.

Topics being considered are:

- Course Coding
- Mark Scale and Transcripts
- Credit Recovery
- WebApps and UERS
- UID/Cedars Update
- NC WISE Project Updates

There is no fee to participate in the conference. An online registration form will be located on the NC WISE Web site soon. Once it is available, you will be notified via NC WISE email. We hope that this use of technology will assist you in being well prepared for the 2009/10 school year. If you have questions about the conference, please email us at summer_2009@dpi.state.nc.us.
