

NC WISE Virtual Academy

Monday July 27th, the NC WISE Virtual Academy will take place. This Academy will share information that will be valuable for the 2009/10 school year.

Registration

If you have not registered for the Academy, go to http://www.ncwise.org/2009_virtual_conf.html and click on Register Now. Remember that registration is limited to one per LEA.

Presentations

To prepare for the Academy on Monday, please go to http://www.ncwise.org/2009_virtual_conf.html and print the presentations that are posted. Some presentations have screens with small print and printing will assist in making the information intelligible.

Test your access before Monday

You will need to test your access for the video streaming before Monday. Go to <http://www.ncpublicschools.org/distancelearning/technical> and follow the directions to test Real Media access. If you have problems, email summer_2009@dpi.state.nc.us.

Monday's Academy URL for viewing presentations

<http://rms.its.state.nc.us/ramgen/broadcast/dpi/NCWISE072709.rm>

Clicking on this URL will connect you to the live stream.

General Information

- MAC users should use Firefox to view the live stream.
- The Academy will not be archived as was previously stated, but, if you need a copy, please email summer_2009@dpi.state.nc.us with that request.
- The agenda is attached and will give you the times and session topics. Please note that sessions will last 45 minutes and will start at 8:30 AM and last until 4 PM.
- We hope that this use of technology will assist you in being well prepared for the 2009/10 school year.
- During the sessions, the emails sent to summer_2009@dpi.state.nc.us will be monitored for questions that you may have. We will try to answer all questions related to the Academy during the day, if not; we will post questions with answers at http://www.ncwise.org/2009_virtual_conf.html.
